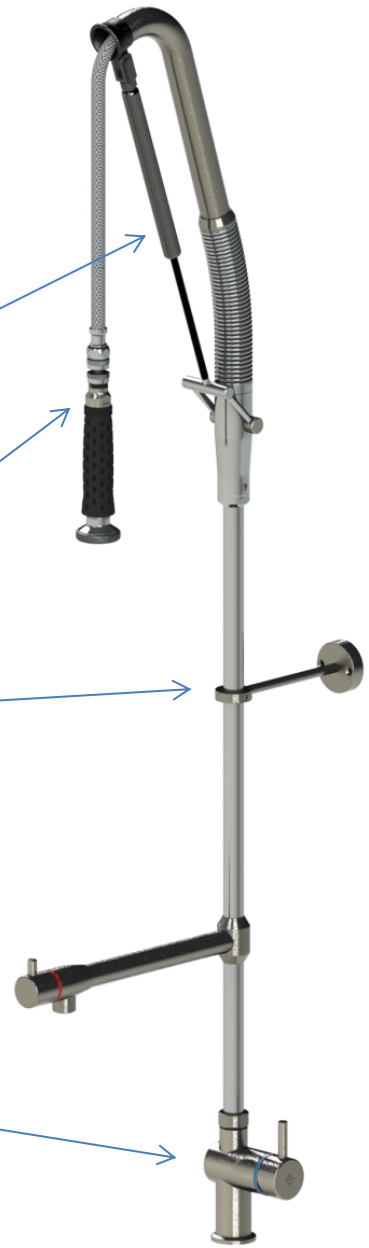
- 15 years warranty on stainless steel body

echtermann®
for professionals

TOP CLEAN pre-rinse



- Gas pressure spring for smooth movement
- Spray head with ball joint (hose protection + work performance), concentrated water jet for a quick pre-rinsing result
- Adjustable wall bracket
- Optional swivel spout with easy 90° opening (ceramic head-work)
- Mixer tap with eco-cartdrige

echtermann®
for professionals

TOP CLEAN pre-rinse

- Opening machanism at the top of the rising tube – pull down spray head and water flow starts
- Water pressure stays in rising tube, not in hose and spray gun = long lifetime, less maintenance and spare part costs
